September Program

Billy Hall, Speaker

William (Billy) Hall, native of the Howard Community area, was back to present a program based on his experiences in traveling in Brazil. He made comparisons of the land, people and the economy, as well as the climate, and making references or comparisons with the US. Billy is a Ga. Tech Grad and has his own company NEWFIELDS, (a consulting firm) that headquarters out of Atlanta. He is the son of Joe Hill Hall and brother of Judy Kornegay. We also enjoyed the presence of his wife, sharing a meal with us. Ed.

You don't want to miss this one. . Bring guests

Note of Sympathy

No one gave me any news of deaths. If I missed one please let me know the details. If you have even extended family to die we want to know of that as well. Ed.

Our Concerns

No new concerns have been brought to my attention since the Sept. newsletter. Hope Zeta Chambliss has broken no new bones and is recovering well. Also hope Madge Earl is continuing to recover from her surgery of a month or more ago. Of course we all know of individuals in the club who have ongoing health concerns. We hope every day is a good day for one and all. Please let me know via mail, email or by phone when one of yours or a neighbor is sick. Or if you rather let our president or secretary, Karen know of these things. Ed.

Got your attention. Now tie a string around your finger and remember to bring the items listed in the article below. In fact why not put them in your car now. The one you will be driving to HCC.

Unusual observance in Nature. Husky dogs and Polar Bears playing around. Guess the polar bear was not hungry. Polar Bear habitat is a concern with the global warming.

Remember Serving Others

We still need Campbell Food Labels for Hephzibah Children's Home, pull tabs and personal items for the Ronald McDonald House, old eye glasses for the Lions Club. Also old hearing aids, cell phones, and ink jet printer cartridges for recycling. Give these items to Cecil and Elsie Daniels.

Club House Rental

Please remember much of the HCC income is the rental of the club house to other groups.

**Bill Johansen is in charge of this:

4 for \$1.00**

Calling in Reservations

Reservations are important. If you have a standing reservation and you do not plan to attend, you need to call and cancel. Our secretary, Karen among other things, keeps tabs on the membership and fills me in on things I need to know for the newsletter. She is also the Food Chairman this time so call her so she can have a good idea how many to prepare for. When the meal is catered, we have to pay for every meal ordered. For example if you have a standing reservation and do not cancel, we still have to pay for your missed meal. Karen's phone and all food committee are listed below. Let's fill the room at our clubhouse. Attendance is off a bit so we need to improve on that. Hope to see you on the 25th.
